By signing this agreement, I acknowledge, understand and agree that I am financially responsible for payment of tuition and fees and that this financial agreement is for the **deferral** of payment only. I will assume full financial responsibility for the payment of tuition and fees once the federal government reopens and payment from the federal government becomes available to its employees. I will not be automatically dropped from classes for nonpayment during this deferred payment period.

I understand that payment of tuition and fees will be due 45 days after the federal government reopens or pays wages to its employees, whichever occurs last, and I agree to pay the deferred tuition and fees by that date.
