

# ADVENTURES IN LIFELONG LEARNING

A.L.L. members can be seen on campus daily as they expand their horizons participating in classes that encompass a myriad of topics, such as architecture, art, history, poetry, politics and religion. In addition, the curriculum also provides courses for entertainment, such as the classic movie series. Field trips to art galleries, studios, museums and historic sites are also an integral part of each semester's lifelong learning agenda.

**Awarded to non-traditional students achieving excellence**

**EUGENE FRANK MEMORIAL SCHOLARSHIP**

**GRACE S. JONES SCHOLARSHIP FOR EXCELLENCE**
